

# Active Transportation Advisory Group

The Active Transportation Advisory Group (ATAG) provides advice and feedback to the Transportation Department on active transportation policies, programs, education and awareness initiatives. The ATAG represents the perspectives of active transportation users, residents, partners and stakeholders in Saskatoon and is made up of organizational representatives, community representatives and City of Saskatoon representatives. The ATAG meets approximately five times a year to discuss active transportation topics in Saskatoon.

ATAG Members on a field trip outing (August 2022)

The ATAG is comprised of appointed representatives of stakeholder groups that represent multiple perspectives and/or user groups:
